

## **BRIGHT MORNING STAR (Steeleye Span version of the trad Appalachian)**

Bright morning star a-rising  
Bright morning star a-rising  
Bright morning star a-rising  
Day is a-breaking in my soul

It is shining on the shepherds (x 3)  
Day is a-breaking in my soul

Come see the wise men travelling (x 3)  
Day is a-breaking in my soul

And hear the Angels singing (x 3)  
Day is a-breaking in my soul

Bright morning star a-rising (x 3)  
Day is a-breaking in my soul
