

ROBY MILL NEW YEAR CAROL

Come, welcome the new year with anthems of joy
In hymns of thanksgiving our voices employ
And mingle our tribute of gratitude here
To Him who has bless'd us with a happy new year

Chorus:

Happy new year to you
Happy new year to you
Dear friends and companions
Happy new year to you
With voices of gladness and hearts full of cheer
We wish you, we wish you, a happy new year

At each year's returning may joy be thy guest
Till life's fading sunshine shall sleep in the west
And when at the Judgement we all shall appear
Oh then may we greet you with a "happy new year"
