

## **AULD LANG SYNE**

Should auld acquaintance be forgot

And never brought to mind?

Should auld acquaintance be forgot

And auld lang syne?

*For auld lang syne, my dear*

*For auld lang syne*

*We'll tak a cup o' kindness yet*

*For auld lang syne*

And there's a hand, my trusty fiere!

And gives a hand o' thine!

And we'll tak a right guid-willie-waught

For auld lang syne
