

HERE IS MY HOME (Si Kahn)

Verse 1

Good friends from whom we soon must part

Where are we bound

Your singing voices lift my heart

Here is my home

Refrain

Come darkness, come light

where are we bound

Come morning come night

Here is my home

Verse 2

All those who sing in harmony

Where are we bound

Can learn to live in unity

Here is my home

Verse 3

If we can join ourselves in song

Where are we bound

Our hearts will lift when we are gone

Here is my home

Verse 4

The spirit that finds music here

Where are we bound

Will live forever in the air

Here is my home
