Resolution Song

The Resolution Project is a global music and climate action project. The Resolution Song has been sung by thousands of people in over 100 countries. The song is a demonstration of global unity and the will to act now to protect our planet. **#PlanetResolution** - <u>http://planetresolution.com/</u> - <u>https://youtu.be/b8msVRulh7A</u>

Intro Time for a change, time for a change

Verse 1	
Lead	SATB
We have called it out	Time for a change
We have said it loud – what now?	
From a single voice	Time for a change
To the greatest crowd - what now?	

Bridge

Lead	SATB
With our arms wide open	n Time for a change
Every drop in the ocean	Time for a change
Make a resolution,	Time for a change
We say	Tomorrow, tomorrow is a new day

Chorus

I'm here standing with you, here standing with me	
Standing with the world on our shoulders	x4

Verse 2

Lead	SATB
We can plant the seeds	Time for a change
We can make a change, right now	
For a better world	Time for a change
For a better place, right now
