

"You've Got A Friend"

Verse 1

When you're down and troubled
And you need a helping hand
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

Chorus 1

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yeah, yeah, yeah.
You've got a friend

Verse 2

If the sky above you
Should turn dark and full of clouds
And that old north wind should begin to blow
Keep your head together
And call my name out loud
Soon I'll be knocking upon your door

Chorus 2

You just call out my name
And you know wherever I am
I'll come running
To see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yeah, yeah, yeah.

Middle 8

Ain't it good to know that you've got a friend
When people can be so cold
They'll hurt you, and desert you
And take your soul if you let them
Oh yeah, but don't you let them

Chorus 3

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes I will.

You've got a friend
You've got a friend

Oh, you've got a friend.
Ain't it good to know you've got a friend.
Ain't it good to know you've got a friend.
You've got a friend.
