

AND YOU RESCUE ME (BEACON OF LOVE)

Gitika Partington and Andrew McCrorie-Shand, arr. Gitika Partington

Wild ocean driving rain

Broken boat, feels like I'm never gonna tread the land again

Meditate for strength to hold me

Praying for a beacon of love

Wild waves they leap, they fall

Broken body, no escaping from the never-ending squall

Raise my voice up to the dark clouds

Singing for a beacon of love

And you rescue me

And you rescue me

Singing for a beacon of love

Praying for your beacon of love

Singing for a beacon of love

Praying for your beacon of love
