

HERE COMES THE SUN by The Beatles (arr. Craig McLeish)

Intro:

Here comes the sun
Do, do, do

Little darling, it's been a long cold lonely winter
Little darling, it feels like years since it's been here

Here comes the sun do, do, do
Here comes the sun
And I say 'it's alright'

Intro

Little darling, the smiles returning to the faces
Little darling, it seems like years since it's been here

Here comes the sun do, do, do
Here comes the sun
And I say 'it's alright'

Bridge:

Sun sun sun here it comes x 4

Intro

Little darling, I feel that ice is slowly melting
Little darling, it seems like years since it's been clear
