

TWELFTH NIGHT

A frosty January morning
On the fifth day of the year
The past twelve days of Christmastide
Time filled with festive cheer

Refrain:

New day, new year
Join and gather in
Good will, good cheer
Welcome all who sing

A frosty January evening
On the sixth day of the year
Sing blessings now for hope and joy
To all who may draw near

Refrain:

New day, new year
Join and gather in
Good will, good cheer
To all who come and sing
